thereby making the corner 4 feet long. Sometimes a solid tile, with a cross in the top was used, and sometimes a 1/2" iron bars were added to the tile. Notes of the work were kept in ledgers, and given to the townships, and 5 of the townships have been recorded in the County records.

There is one LCRC form Liber 2, Page 51, Hooth.

Two PA 132 forms, Liber 509, page 847 and Liber 555, page 739, by Wetherell.

Corner is recorded in front pages of Township book, 1st page, as well point.
