A Describton of original monument and accessories and/or subsequent retoration: A Describton of original monument and accessories and/or subsequent retoration: The original corner was set by deputy surveyor Sylvester Sibley on 14 May 1838. Corner is B. Oak 28" at 40 chains from South. From 1891 to 1904 approximately, Osceola County had a remonumentation program, in which surveyors Temple and Trumbull, did the work. For the most part, a 3" glazed tile filled with cinders from a forge, were placed at each government set corner in the twomship. There were supposed to be 3 tile per corner, placed atop of each other, (continued on back) B. Describton of owner evidence found and/or method appled in restoring or restablishing corner. Excavated to 4" and found rod with cap #13037. Corner is 3" East of road centerline and in fence rows Bast and West. I would estimate corner to be under 4' of fill. Placed Osceola County Monument in position of road, 6" below surface. I did not excavate in to marsh to find tile, as corner is nearly placed at tail bog with much water. C. Description of comment of corner and accessories established to perpetuate locating the position of the corner is 1 length. Power pole 856W 32.3 feet. Power pole 856E 29.85 feet. O.B.P. Signed b Additional and the corner of the corner of the corner of the corner feet. Corner Fence post East 32.5 feet. O.B.P.	in Section 3. Miscellaneous	S TR	Register of Deeds Stamp & File Number
