I, Earl W. Applekamp, in a field survey on August 03, 19 95, do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Professional Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

Original corner established by Wills Burt, U.S. Deputy Surveyor, June 1857. Set Cedar Post.

ORIGINAL BEARING TREES:

White Pine 40" N59°E 55 links (36.30 feet)
Cedar 18" N49°W 41 links (27.06 feet)

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

No original evidence was found. There is a County gravel road running N-S and another running West from the apparent corner. A distance of 5266.84 feet was measured from the centerline of the "T" roadway. This location is the most logical point for the corner. I accepted the centerline of the two roads and set a monument described in "C" below.
