Description of original mooriginal corner est in July 1847. Set	formance with regular of the United States Court of Law and/or the the rules of the Miched, re-established, rs, all in the same conument and acceptablished by	tions and rules therefore as requisive Department of the Interior, that the comer points mentioned ichigan Board of Professional Symponymented, re-monumented, town and range, may be reconstructed and sories and/or subsequent William A. Burt, U.	lired in the current Bureau of Land d in lines 3, 4 and Surveyors or by a recovered, found orded restoration: S. Deputy Sur	7	13-13-13-13-13-13-13-13-13-13-13-13-13-1

Description of corner evidence found and/or method applied in restoring or reestablishing corner:

At the corner location there is a dirt road running N-S. A fence line runs East & West at this point. An original call to a stream 3.50 Chains South is in agreement with the above features. There was no object at the actual corner location. I set a monument described below, 3" below grade of a dirt road. This corner is one of 29 corners in 6 Sections remonumented under the County Remonumentation Program. Research on file with the Ontonagon County Remonumentation Program Representative. X)

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner.

At the corner location I set a 2½" aluminum pipe with a 3½" cap stamped to read: COUNTY REMONUMENTATION, Section 5, 6, T48N R41W, Section 31. 32

T49N R41W, 1995, P.S. 17610 At the corner location I set a $2\frac{1}{2}$ " aluminum pipe with a $3\frac{1}{4}$ " cap stamped to read: COUNTY REMONUMENTATION, Section 5, 6, T48N R41W, Section 31, 32, T49N R41W, 1995, P.S. 17610. I tied the corner to the following bearing trees and reference objects:

Corner Fence Post	N71°W	35,68 feet	5" Aspen , N33°E	47.15 feet
7" Aspen	s46°W	74.70 feet	Steel Sign Post	East 19.50 feet
