1966 C.C. Lindgren, R.L.S. 14098, for Michigan State Highway Department, found<sub>1</sub>a 1" Iron pin in strawberry patch. He mistakenly called this a corner common with the township to the north. He established 3 bearing objects:

SW cor. of Storage Shed	N 45°E	39.57
6" Ironwood	S 65°W	61.15 <sup>1</sup>
18" Ash	\$ 20°W	50.50'

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

I found no remains of the original corner or accessories. I recovered the 1" iron pin called for by Lindgren. When I monumented the standard corner in October 1995, I determined that this iron pin was actually the closing corner. I recovered 2 of Lindgren's bearing objects and added three additional bearing objects. (See Sketch)
