	In the mid 1960	's a 1" cappe	d pipe was set l	by Scott Engin	eering 014 to 12-15-99	
	to mark the cor	ner.			,	
В.	Description of corner evid	tence found and/or me	athod applied in restoring	or reestablishing corner	•	
I found the corner set by Scott Engineering. This corner has					has	
	been used for several surveys in the area and for construction of the L.P. Walsh Road in 1967. The corner is in agreement with the corner 1 mile to the South and with occupation lines in the area. I accepted the 1" capped pipe and remonumented					
	the corner as s	hown in Item	c.			
	Research on fil	e with the Co	unty Remonument	ation Program	Representative.
