A. Description of original monument and accessories and/or subsequent restoration:  (C3) Corner common to Sections 5-6-7-8. 1961: Reestablished by double proportionate seasurement by Billy 0. Buckler RLS. 1' pipe with 4' brass cap. 3' Tamarack H50M Is links, 3' 8. Spruce SS64 4.5' links.  (D3) Quarter corner common to Sections 5-8. 1960: Renonwented by Billy 0. Buckler: This corner was replaced at a small squared M. Pine stub. Found no evidence of original corner. Found old stake on ground near corner. 1' pipe with 4' brass cap. 24' M. Pine stubp N354 49 links, 24' M. Pine stupp N856 67 links, 30' M. Pine stupp N26M I14.5 links.  B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:  (C3) Recovered the 1961 monument disturbed, pushed over with cap broken off. The 8. Spruce N81 is in place and in good condition. The Tamarack has been destroyed by trail construction. Placed a new monument at the 1961 position, judged to be at the base of the existing monument and record distance from the Spruce N81. The 1961 pipe was left adjacent.  (C3) Found 1960 monument in good condition. The N. Pine stump N815 SEE is now ground level remains at record bearing and distance. The others are gone, probably burned away. An old squared post was found on the ground alongside the monument, badly burned.  Distance to west checks with Buckler's record. Left the monument in place and made new mitnesses.  C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:  (C3) Set 1' 10x36' 1. pipe with 4' dia.
