14" R. Oak - S70W - 18 links -----

8" R Oak - N21W - 49½ links -----

6" Maple - S4E - 62½ links -----

DESCRIPTION IN DETAIL AS TO HOW CORNER WAS LOCATED AND IDENTIFIED OR RESTORED.

This corner was found by Forestry Division survey crew while making a partial resurvey of this township. Found 3/4" pipe at corner with stumps in place for both government BTs. Found very old stake point also, when setting corner, which could likely have been set by Teed to restore government corner some 40-50 years ago. Corner was found and used in a recent survey of the SE-SE of Section 14 by McClung.

Corner was set and witnessed April 16, 1959.
