Neg<sup>o</sup> 214-80.37b

Neg<sup>o</sup> 214-80.35

8th spike in line with 1<sup>st</sup> from N.R.  
fences N & S

This section was subdivided on the basis of the corners found or established in a regular recertification of this township. See corner records for detailed explanation of the identification or establishment of the various corners. The 1/4 lines were run in the center post established at the intersection of the true lines. The interior measurements in the units of this section were calculated in reference to the outermost lines of the boundary.
